

Please help the puppies who will help our neighbors.

Heartland Service Dogs provides specially trained dogs for adults and children with mobility needs, hearing impairment, diabetes, PTSD and other disabilities. Dogs may help owners by alerting to alarms, buzzers, phone rings, turning on lights, opening drawers, retrieving objects, alerting to low/high blood sugar, and much more.

You can help these dogs help those in need!

Town Center Bank is proud to host a donation and volunteer drive for Heartland Service Dogs throughout the month of April.

Please donate:

- food and water bowls
- dog crates, any size
- exercise pens
- shampoo, flea or oatmeal
